Asahikwa ramen noodles are a great way to enjoy Asahikawa's delicious bounties from the land and sea. The most popular version has a soy sauce broth seasoned with a seafood, pork bone and chicken bone stock. Asahikawa ramen noodles are crinkled so that they mix well with the soup and do not absorb too

Local Sake

Asahikawa's outstanding sake production once earned it the name of "Northern Nada" (after one of the major sake production areas in Kobe). Asahikawa sake is distinctive for its dry, smooth flavor, given by the cold climate and the groundwater from the Daisetsuzan Mountains. The city's breweries are open to visitors. Tour the breweries and sample Asahikawa sakel
